

Working at Kipling Estate Garages

We are starting work at Kipling Estate Garages at Weston Street in SE1 for [Leathermarket JMB](http://www.leathermarketcbs.org.uk). External refurbishment works will include the demolition of an external boundary wall, building foundations, constructing the new boundary wall and, of course, reinstating all landscaping. More on this exciting project can be found here <http://www.leathermarketcbs.org.uk/wp-content/uploads/2015/07/CBSdevelopmentKiplingGaragesJul15.pdf>
